

Subject: Corrected Data Report - Action on Previous Data Issues

Dear Ann,

Thank you for your prompt response and detailed report on the data issues found during the profiling and cleaning process. I appreciate your diligence in identifying these discrepancies. Based on your report, I have reviewed and corrected the necessary data. Below is the corrected data report for your review and further action.

Corrected Data Report

Title: Second Stage Data Profiling and Cleaning in Excel

Purpose: This report provides the corrected data to address the issues identified in the previous profiling and cleaning process.
